Alternately, you can go to our website at [sookeriverhatchery.org](http://sookeriverhatchery.org), click on the "Join Us" tab, scroll down to the bottom of the page and click on

**SIGN UP TODAY**

Sooke Salmon Enhancement Society meetings are held at 7:00 p.m. on the **third Tuesday** of every month (except June & July) at the Juan de Fuca Restoration Society's Charters River Salmon Interpretative Centre at 2895A Sooke River Road, which is farther along the driveway past the hatchery. Members receive hatchery news, information, and reminders of meetings by email.

We are always happy to have new volunteers. Some activities that members take part in are:

- Collecting both Chinook and Coho broodstock - September to November
- Incubating eggs - October to December
- Feeding fry at the hatchery - January to June
- Work parties throughout the year
- General hatchery duties and maintenance

Should you have any concerns or questions, please feel free to send us an email at: [info@sookeriverhatchery.org](mailto:info@sookeriverhatchery.org).

Thank you for your interest in the Sooke Salmon Enhancement Society and the Sooke River Jack Brooks Hatchery. We look forward to having you as an active member!
